## Foreword

We, the Polaris staff, have chosen "This Is Northridge," as the theme for the 1963 Polaris.

With the school year coming to an end, we pause to look back upon happiness and friends we have had. This year holds many experiences that we shall never forget. The fun, hard work, sorrows, and joys are all memories of our past year. We have tried to capture these in the following pages.

As the graduating class of '63 leaves this year they will consider this annual their special and fondest possession made especially for them. As they look back over the pages of the Polaris in future years, they will think back over grade school, Junior high, high school, and then graduation. They will miss their friends, the teacher's guidance and help, the organizations and activities; but will be grateful that they have a yearbook to glance through and reminisce.

This Polaris of '63 has a different meaning to each person and each page will hold special memories known only to you, the students of Northridge High School.

## *Dedication*

MR. E. J. MORRIS  
COACH   TEACHER   FRIEND

To you, Mr. Morris, we dedicate this yearbook. One who has given a full 35 years to the profession of coaching, guiding, teaching, and inspiring thousands of young people. Your last 25 years of teaching has been at Northridge where many a student's heart has been warmed by your presence. Northridge will miss you and your wise counsel.

In this 1963 POLARIS you will find many of the most important activities, events, and people from the 1962-63 school year. The POLARIS staff has attempted to capture these for your enjoyment in future years.

We wish to express our deepest gratitude to our Adviser, Mr. Charles Barker, who was always willing to help in time of need.

We have tried our best to present a good year-book for you, the students of Northridge, so that you may look back into its pages in future years with fond memories.

Polaris Editor

## *Editors' Appreciations*

As I look back upon my years at Northridge, I can more fully appreciate the value of our yearbooks. They have provided me with many hours of enjoyment. However, being Editor of the Bear Facts I must feel that I publicize the merits of our school paper and its staff.

I would like to thank the staff for their co-operation, in producing our papers, and to Mr. Barker, our adviser, I would like to say, thank you for the help you have given us.

To the students of Northridge I would like to say, thank you for your support of our paper and always remember that your years at Northridge are the formative years of your life. . . MAKE THE MOST OF THEM.

Bear Facts Editor

Rick Bachelor

## *Superintendent's Message*

I cherish the privilege and opportunity to extend cordial greetings to the students of the Northridge High School through the medium of the "Polaris."

Although we live in an age of new discovery and new scientific advancement, youth still faces the same challenges, opportunities, and obstacles that confronted youth of yesteryear.

Change is certain and inevitable, and our Nation will need youth and the spirit of youth to spur it onward to meet the changes and challenges of tomorrow.

Make the most of every opportunity to learn and to serve. Embody the finest personal characteristics and highest ideas and resolve to be a useful human being. Dedicate your lives to the service of humanity and contribute your talents, whatever they may be, to the welfare of mankind.

Sincerely,

Charles R. Tarzinski

The Northridge Polarettes have been in existence for almost eight years. This past year we had eleven Seniors, four Juniors, five Sophomores, and one Freshman. Many of the costumes that they wear are either made by the girls themselves or by the mothers of the girls. A few things looked for when Mr. Kelley picks the girls are their marching ability, ability to keep in time to music, and most of all their appearance.

## *Bears End League Season With 2 Losses*

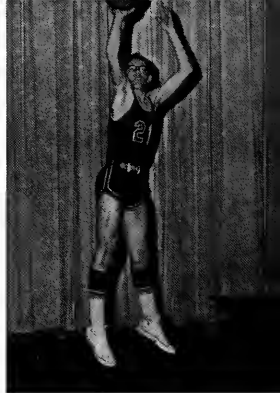

For the second straight year the Bears ended their Southwestern Buckeye League Season with only two losses. The Bears were also responsible for the only blemish on league champ, West Milton's SWBL Record. The Bears battled the Bulldogs to a 12-12 tie to keep Milton from having a clean slate.

Rick Bachelor

#### SENIORS

There were only two seniors on this year's squad. They were Rick Bachelor and co-captain Bill Idle.

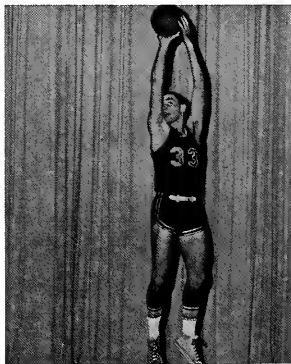

Bill Idle

*'62-'63 Team Had Only Three Returning Bettermen, but Next Season Looks Much Brighter — More Experience*

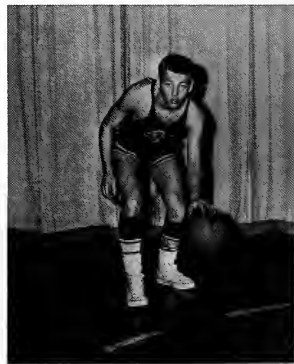

#### UNDERCLASSMEN

Ed Sutton

Dan Resler

Terry Comer

These three boys along with the rest of the underclassmen on this years' squad will form the nucleus for what should be a rather well rounded team next year. Will these boys have an opportunity to play any league games at home next season? If the new school is completed and they can play in the new gym - watch out, because these boys will give 'em all a trouble, playing before the folks at home.

#### SPECIAL AWARDS WINNERS

Jerry Phillips, Ernie Sparks, Willis Knight, Dale Hubler, Rick Bachelor, Chuck Youngs, Larry Neely.

Receiving special honors at the 30th Annual Football Banquet were: Rick Bachelor, "Most Valuable Player" and "All League," Chuck Youngs, "All League," Dale Hubler, "Most Aggressive Lineman," Willis Knight, "Most Improved Player," Ernie Sparks, "Most Aggressive Back," and Jerry Phillips and Larry Neely were chosen co-captains of next year's team.
